Case Number: SC13-0313FC

Date: 03-22-13

Campus: Fresno City College

## SOURCE OF ACTIVITY:

03-22-13, at 1058 Hrs. I was dispatched to the Old Administration Building regarding a disturbance that was occurring outside of Room 216.

## INVESTIGATION:

Upon arrival, assisted by Officer WILLIAMS, I observed a large commotion with a crowd of students yelling in the hallway. One of the subjects in the hallway pointed at a door and told me the female party involved was inside and the other party was waiting in another office to the north of classroom 216. I asked officer WILLIAMS to check the other party and I went inside the door to the south of Room 216 and contacted a female student who identified herself as KEVYNN GOMEZ. GOMEZ gave me the following statement.

## STATEMENT of VICTIM KEVYNN GOMEZ-

GOMEZ told me she was taking a mid-term test in classroom 216 in the Old Administration Building. At the end of class another instructor came in and was acting angry. The instructor began to talk to the substitute stating that his class starts now and they need to get out of here. The instructor acted very mad and continued to yell and point at the students and say that everyone needed to leave. GOMEZ said she thought the instructor was being very rude and did not like the way he was behaving. As she turned in her test, she walked by the instructor and looked at the angry instructor and said, "Piss off asshole." GOMEZ said she walked out of the classroom and the angry instructor followed her asking what her name was and saying, "You can't talk to me like that."

The instructor grabbed her by her left arm and continued to ask her what her name was. GOMEZ told the instructor to let go of her but he wouldn't. GOMEZ said the instructor used his other forearm to pin her neck against the wall while he was still holding her left arm. GOMEZ was afraid of the instructor because she could not get him to let her go and was afraid he was going to hurt her. GOMEZ said she punched the instructor in the face. GOMEZ said she punched at him several times and the instructor picked her up and threw her on the ground. GOMEZ said other students in the area pulled her away as several other students got between her and the instructor as he continued to come after her.

## INVESTIGATION CONTINUED:

I noticed some red marks on GOMEZ'S neck and arm and a small amount of blood on her chin. I asked GOMEZ if she was hurt or needed medical attention. She replied that "she was alright". I asked GOMEZ about the blood on her chin and she said she thought it was CALHOUN'S because he was bleeding where she hit him in the nose. I asked GOMEZ how tall she was and how much she weighed and she replied that she was 5'-0" tall and weighed 101 pounds.

While I was talking to GOMEZ, Officer WILLIAMS came to my location and told me that he had identified the instructor involved in the altercation as BRIAN CALHOUN. Knowing that a student was involved in an attack by an instructor, I requested a supervisor to respond to our location. Sgt. ANDERSON responded and I advised him of what occurred and told him that I had interviewed a student involved with an altercation with an instructor and that the instructor, CALHOUN was waiting in another office being detained by Officer WILLIAMS.

# STATE CENTER COMMUNITY COLLEGE DISTRICT POLICE DEPARTMENT

SC13-0313FC

There was still a large crowd of students in the hallway who wanted to give a statement to police of what they saw. Sgt. ANDERSON told them to wait here and we would talk to them to get their statements. Sgt. ANDERSON directed me to an office to start interviewing witnesses and I called them in one at a time. The following statements were taken:

## STATEMENT of W1, NICK ANSTED-

ANSTED said he was walking from the north side of the building south in the upstairs hallway and saw a male holding a female student by the left arm. ANSTED said the female was yelling at the male to let her go. When he wouldn't let her go, the female punched him in the face. ANSTED said the male picked the female up and threw her on the ground and the female kicked at him to try and get away as two students restrained the male and several others pulled the female away. I asked ANSTED if he knew either of the two subjects involved and he said "no".

## STATEMENT of W2, DAVID CASTRO-

Castro told me that an instructor walked into the class he was in at Old Administration Building room 216 and yelled at everyone to get out. The other instructor, who is a substitute, asked if we could take two minutes to finish up a test. The other instructor said "no, get out". As KEVYNN, (GOMEZ) walked past to turn in the test, she looked at the instructor and said, "Piss off asshole." CASTRO said the instructor just snapped and went after GOMEZ. CASTRO said the instructor went out after her and grabbed her by her left arm and grabbed her around the neck with his other arm. CASTRO said GOMEZ tried to pull away and he wouldn't let her go, GOMEZ punched or swung her arm at him and knocked his glasses off. The instructor picked GOMEZ up and slammed her on the ground. Some other students pulled GOMEZ away and several other students got between the instructor and GOMEZ and he still tried to go after GOMEZ.

## STATEMENT of W3, KAMEE WHIGGINS-

WHIGGINS said she was walking southbound from the north end of the Old Administration Building to go to class and saw CALHOUN follow a female student out of room 216. He was angry, and yelling "Don't talk to me like that, what is your name?" I asked WHIGGINS how she knows who CALHOUN was and she replied that she is in his eleven o'clock class that was about to meet. I asked WHIGGINS what happened next and she replied that CALHOUN grabbed the female by the arm, pushed her against the wall and threw her on the ground. I asked WHIGGINS if she saw any punches thrown and she said no, she just saw a scuffle before CALHOUN threw the female on the ground. I asked WHIGGINS what she meant by a scuffle and she replied that she saw arms flying on both of them. I asked WHIGGINS if she has observed CALHOUN act inappropriately in her class with him. WHIGGINS replied that CALHOUN has complained about the class before his running long and everyone not being out on time.

## STATEMENT of W4, JUAN A FLOREZ-

FLOREZ said he was by the north stairway and heard some yelling. FLOREZ said the instructor grabbed the female by the arm and she said to "let go". The instructor was trying to pull her back into the classroom. The whole time the female was yelling at the instructor to let go of her. FLOREZ said the female punched the instructor several times and he bent at the waist like he was trying to cover up. FLOREZ said the instructor lifted her up and slammed her on the ground on her back. Other students separated the instructor and the female student but the instructor continued to go after her and he was eventually restrained by other students.

STATEMENT of W5, DAVID ZAMORA-

ZAMORA said he walked out of the Old Administration Building room 216 before GOMEZ and heard a commotion. ZAMORA said when he turned around, he saw GOMEZ hitting the instructor. ZAMORA said the instructor picked up GOMEZ and slammed her on the floor.

STATEMENT of W6, ROCIO HERNANDEZ-

HERNANDEZ said an instructor came into her classroom located at Old Administration Building room 216 acting angry and short tempered, and wanted them out of the classroom. GOMEZ walked out of the classroom in front of her and she heard GOMEZ call the instructor, (CALHOUN) an asshole. HERNANDEZ said as she was walking away, she heard some shuffling. When HERNANDEZ turned around the instructor had GOMEZ pinned up against the wall with his forearm. GOMEZ was trying to get away and yelling at him to let her go. HERNANDEZ said she saw GOMEZ punch him once and then he picked up GOMEZ and dropped her on the ground. HERNANDEZ said the instructor kept trying to come after her even though students were trying to restrain him.

STATEMENT of W7, JANET OCEGUERA-

OCEGUERA said an instructor came into the Old Administration Building room 216 classroom at the end of class and was mad they were not out and wanted the classroom. As GOMEZ walked by him she said, "Piss off asshole." OCEGUERA said the instructor got mad and went after her wanting her name. The instructor grabbed GOMEZ'S arm and pinned her against the wall with her forearm. The instructor continued to try and get her name. OCEGUERA said she tried to get her cell phone out to take a picture and when she looked up, saw the instructor slam her to the ground.

STATEMENT of W8, ASHLEY JOHNSON-

JOHNSON said she is in CALHOUN'S class in Old Administration Building room 216 and was standing outside the door of the classroom in the hallway. JOHNSON said she saw CALHOUN go in and demand the classroom. JOHNSON said she heard a female student call CALHOUN an asshole and walk out of class. CALHOUN followed the female student outside and pinned her against the wall with his forearm. JOHNSON said she heard the female say, "Get the fuck off me." The female jerked her arm away and hit CALHOUN with her elbow. CALHOUN picked up the student and slammed her on the ground. JOHNSON said other students separated them but CALHOUN continued to try and go after her, but several guys held him back.

INVESTIGATION CONTINUED:

When I finished interviewing witnesses in the office, I went outside into the hallway and contacted Sergeant ANDERSON. I asked him if he had anyone else that needed to be interviewed. ANDERSON told me that he had finished talking to the witnesses and that Officer WILLIAMS had transported CALHOUN back to headquarters and would book him for battery, issue him a citation and release him. See ANDERSON and WILLIAMS follow up reports for their information.

I returned to where Victim GOMEZ was located to check on her condition. Sgt. ANDERSON was also there. I took digital photographs of GOMEZ showing the redness on the right side of her neck and the red marks on her left forearm. Officer WILLIAMS took digital photographs of the cut on bridge of CALHOUN'S nose. See the attached Evidence Photograph Document of the photographs.

# STATE CENTER COMMUNITY COLLEGE DISTRICT POLICE DEPARTMENT

SC13-0313FC

I was unable to locate the substitute instructor to get his statement because he had already left the area. GOMEZ did not have a way to get home so I transported her to her residence.

I returned to headquarters and telephoned the humanities division office to see if they knew who the substitute instructor was for the class in OAB 216 today. I was told his name is MICHAEL MEDRANO and was given his cell phone number. I telephoned the number and left a voicemail message. MEDRANO called me back and told me the following:

## STATEMENT of I, MICHAEL MEDRANO-

MEDRANO said he was giving a test in Old Administration Building room 216 today. The students needed an extra couple of minutes to finish up the test. MEDRANO said CALHOUN came in and was angry, saying he "wanted the classroom". MEDRANO said as he collected the exams, students were leaving and class was over. MEDRANO said he heard a commotion outside and a student came in and said there was a fight going in the hallway. Another student came into the classroom and said CALHOUN pinned a student to the floor. MEDRANO said CALHOUN came in to the classroom and said a student was rude to him, hit him in the face and he went after the student.

## INVESTIGATION CONTINUED:

Officer WILLIAMS booked and issued CALHOUN a misdemeanor citation for PC 242, Battery, Citation Number 021116. Sgt. ANDERSON told me that CALHOUN was advised by the Administrator in Charge, Dr. CHRIS VILLA that he was not to return to campus until he receives permission by the administration.

## DISPOSITION/CONCLUSIONS:

CALHOUN came to Old Administration Building Room 216 and was angry people from the before his class had not left yet, because his class was about to start. Because CALHOUN was acting rudely, as GOMEZ was walking out she told CALHOUN, "Piss off asshole." CALHOUN walked out of the classroom and grabbed GOMEZ by the left arm and pinned her to the wall with his forearm. When he did not let go, GOMEZ said she feared for her safety and punched CALHOUN hitting him in the nose. CALHOUN picked up GOMEZ and slammed her to the ground. CALHOUN was restrained by other students and both parties went to different locations until police arrived. CALHOUN was later placed under citizen's arrest for PC 837/242 by victim GOMEZ (refer to Officer WILLIAMS follow up report).

1. Statements were taken from the victim, suspect and witnesses for report information.
2. CALHOUN was issued a misdemeanor citation for PC 837/242, Battery and released.
3. CALHOUN was directed by Administrator in Charge, CHRIS VILLA that he was not to return to campus until he was given permission.

#### Supplement Report:

03-22-2013 Approx. 1056 hours Friday

Officers C. Caldwell #204 and B. Williams #111 had responded to the OAB (Old Adm. Building) regarding a disturbance on the second floor of the building. The two officers arrived on scene and a few minutes later Officer Caldwell requested a supervisor respond.

I arrived on the 2<sup>nd</sup> floor of the OAB west side hallway about 15 minutes later. Upon arrival I saw numerous students standing in the hallway and the officers just north of them. After talking with Officers Caldwell and Williams I learned the disturbance involved a female student and an instructor named Brian Calhoun. The students in the hallway were witnesses they were going to interview. I was advised both the female and Calhoun were in different rooms waiting to be checked by the nurse.

I briefly made contact with the female who appeared to be very shaken up by what happened. She told me Mr. Calhoun came into her classroom at the end and began yelling rudely at everyone to get out of his classroom. She explained Mr. Calhoun's class is directly after her class. She said she thought what he was doing was very rude so as she left the room she told him to "piss off" and left the room. She said he came after her out into the hallway. She said as she tried walking away from him he grabbed her arm and she pulled and fought to get away from him. She said he shoved her against the wall and had one of his arms up underneath her chin against her throat. She said she punched him to try to fight him off of her and he lifted her and threw her down onto the floor. She said numerous students were trying to get him off of her and he was still trying to attack her. She said the class was late getting out of the room because of a mid-term test. She told me she wished to press charges against Calhoun. The victim's statement was taken by Officer Caldwell.

FOLLOW UP REPORT  
SC13-0313FC FU1**

The victim was attended to by the FCC Nurses. Psychological Services staff was also called to assist her as well. The victim's name is listed in the original report.

Once I had determined an arrest was going to be made I advised the officers to begin questioning and obtaining statements from all the witnesses. They were interviewed one at a time. The Chief of Police Bruce Hartman, VP of Student Services Dr. Chris Villa (Administrator on duty), & Brian Speece (Vice Chancellor of SCCCD) arrived and were all informed of the incident.

I assisted by taking some statements from witnesses:

Statement of Patricia Gonzales R/P (FCC Staff):

Patricia Gonzales advised me she heard all the commotion going on in the hallway, but did not look out to see what was going on. She said there was a lot of yelling and she could hear a female screaming. She said her office (staff members) elected to lock the door and call the police which is what they did. She said she called for the police at 1056 hours. She said some other staff looked out momentarily, but quickly locked the door from fear of what was going on outside in the hallway. Gonzales is the person who called the police dispatcher.

Statement of Ferwilda Lancaster (FCC Student):

Ferwilda Lancaster said she was there when Instructor Calhoun came in acting all angry because students were in his classroom. She said she saw Calhoun grabbing on the victim yelling at her to tell him her name. She said she saw Calhoun shove the victim up against the wall and pick her up slamming her onto the floor. She said she was close enough that she was trying to get him to stop, but he was already so angry they could not keep him from slamming the victim onto the floor. She said he was still trying to get to her as students were pulling him away. She said she helped get the victim away from Calhoun and into the office she was at.

Statement of Joseph Navarro Jr. (FCC Student):

Joseph Navarro said he had left the classroom and was north of the classroom. He said he saw the victim exit the classroom and then saw Instructor Calhoun bust out the door right behind her in a very angry manner. He said Calhoun was yelling at her grabbing onto her telling her he was a teacher. He said he went to help her because Calhoun was shoving her against the wall with an arm at her throat and she was trying to fight him off. He said even after he and some others tried to pull Calhoun away from her he still forcefully picked her up and threw her onto the floor. He said Calhoun was still trying to get at the victim after she hit

the floor. He said Calhoun was not listening to the students and several had to surround the victim to keep him away. He said he tried to prevent Calhoun from hurting the victim, but he was so angry and out of control.

Statement of Jeweleanna McConnell (FCC Student):

Jeweleanna McConnell stated she is not in either class, but was in the hallway waiting for a friend. She said she saw the female exit the classroom and saw the male instructor come out after her. She said the female called him an "asshole" and the male instructor (Calhoun) told the female "you can't talk to me like that, what is your name". She said she saw the instructor then grab onto the female's arm. She said the female was fighting to get away and the male instructor picked her up and slammed her down on the floor. She said numerous students were in the hallway trying to get the instructor to stop.

Statement of Vanessa Barrera (FCC Student):

Vanessa Barrera said she was in the classroom taking a mid-term test when Mr. Calhoun came into the classroom yelling at everyone in a very loud rude manner to get out of his classroom. She said some students were finishing up their tests when he did this. She said she heard the victim tell him to "piss off" and leave the classroom. She saw Mr. Calhoun follow her out into the hallway yelling at her what her name was. She said she saw Mr. Calhoun grab the victim's arm and push her up against the wall by her neck. She said he had his arm on her neck and she was fighting him to get away. She said lots of students were trying to get him to stop, but he still picked her up and slammed her onto the floor. She said Mr. Calhoun was still trying to harm her even with all the students trying to stop him.
